Spirit of the Township Award

This award was established by the Saginaw Township Business Association to recognize a business or individual each month that positively contributes to Saginaw Township's sense of community, progressive culture and exceptional business climate.

The award will be presented to the selected recipient at the monthly luncheon and the recipient will be recognized for the achievement in the STBA newsletter. Self-nomination or nomination by others is acceptable and encouraged. The STBA board will review all nominations and select the recipient of the month based upon the business or individual that best exemplifies and contributes to Saginaw Township's sense of community, progressive culture and exceptional business climate.

To submit a nomination, please complete the form below and submit it electronically to maryloufeldotte@charter.net .
